OUTSIDE the CREATION

Dear Education Specialist,

Please consider adding Outside the Box Creation to our approved vendor resource list. I am interested in purchasing an art box subscription (like an art class in a box, delivered monthly) from this vendor as soon as possible.

Outside the Box Creation is a monthly art project box for kids. Thoughtful, engaging, and educational, they've carefully curated each box to include all the supplies you need, plus easy-to-follow instructions. Regular boxes include enough materials for 2 people. Family boxes include enough for 4 people. They offer 3, 6, and 12 month pre-paid subscriptions in 2 sizes: Regular and Family size. Pricing at www.outsidetheboxcreation.com. IN EACH BOX: A book to spark the imagination, a booklet of easy-to-follow instructions, and high-quality art materials.

This company provides subscriptions to a number of charter schools. Many of their homeschool customers are able to do 3 or 4 shorter weekly lessons from each monthly box.

Thank you for your consideration in this matter. Please contact Outside the Box Creation vendor relations at info@outsidetheboxcreation.com or 45-616-3750 to begin the enrollment process.

Sincerely,

www.outsidetheboxcreation.com
