

Upcoming Outside the Box Creation Boxes*

*We plan our boxes to give you a wide variety of subject matter & mediums over the course of your subscription. Please be aware that these are subject to change! Sometimes the supplies we need are not available - especially during COVID, or other situations arise which require us to make changes in the boxes that are scheduled. If you've been a subscriber previously, sometimes we repeat projects/books after 2 years. But often, although the book may be the same, the project has been changed/updated. Please contact us at info@outsidetheboxcreation.com if you want to skip a particular box or want to substitute another box for the monthly one.
